RadioNet RTU

#	Prod. Code	Description
1	00035-012200 00035-012400 00035-012500 00035-012600 00035-012700	RadioNet - RTU, 1 x DO, 2 x DI RadioNet - RTU, 3 x DO, 4 x DI RadioNet - RTU, 5 x DO, 6 x DI RadioNet - RTU, 7 x DO, 8 x DI RadioNet - RTU, 9 x DO, 10 x DI
2	00035-013140	Additional I/O Card, 2 x DO, 2 x DI (Max. 4 Cards per RTU)
4	00035-001000	Earth Stake, copper clad, 5/8" x 6'
5	00035-003250	Earth Clamp for 5/8" Earth Stake
6	Misc.	Earth Cable 2.5mm2 Antenna mast

RadioNet RTU – Power Options

Option C Disposable Batteries

Battery Cradle:

- Requires
4 x AA Lithium Batteries
- Last approx. 1 season

System will send low battery warning to operator, advising to replace with new batteries

Note:

Not suitable for Repeater Mode

Option B Manual Recharge

Battery Cradle:

- Requires
6 x AA NiMH Batteries
- Last approx. 1 season

System will send low battery warning to operator, advising to replace with charged batteries

Note:

Not suitable for Repeater Mode

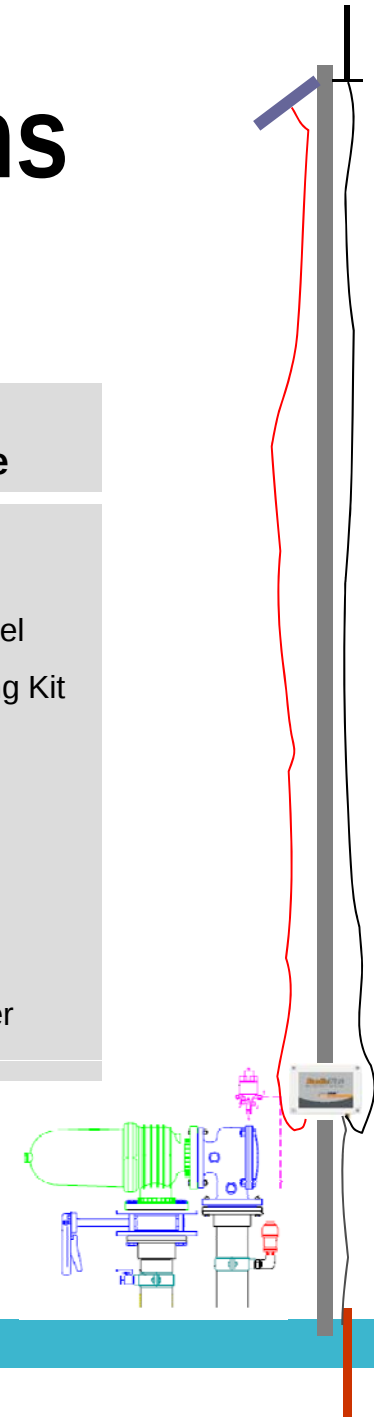

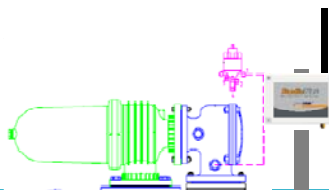

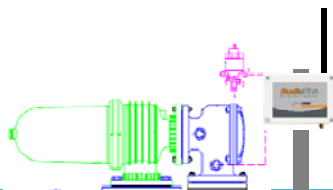

Option A Auto Charge

Solar Panel Kit includes:

- 1.1 Watt Solar Panel
- Adjustable Mounting Kit
- 5.5m power cable
- Voltage Regulator
- Battery Mounting

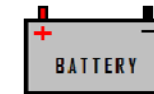

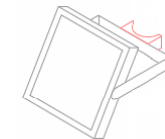

Note:

Suitable for Repeater Mode

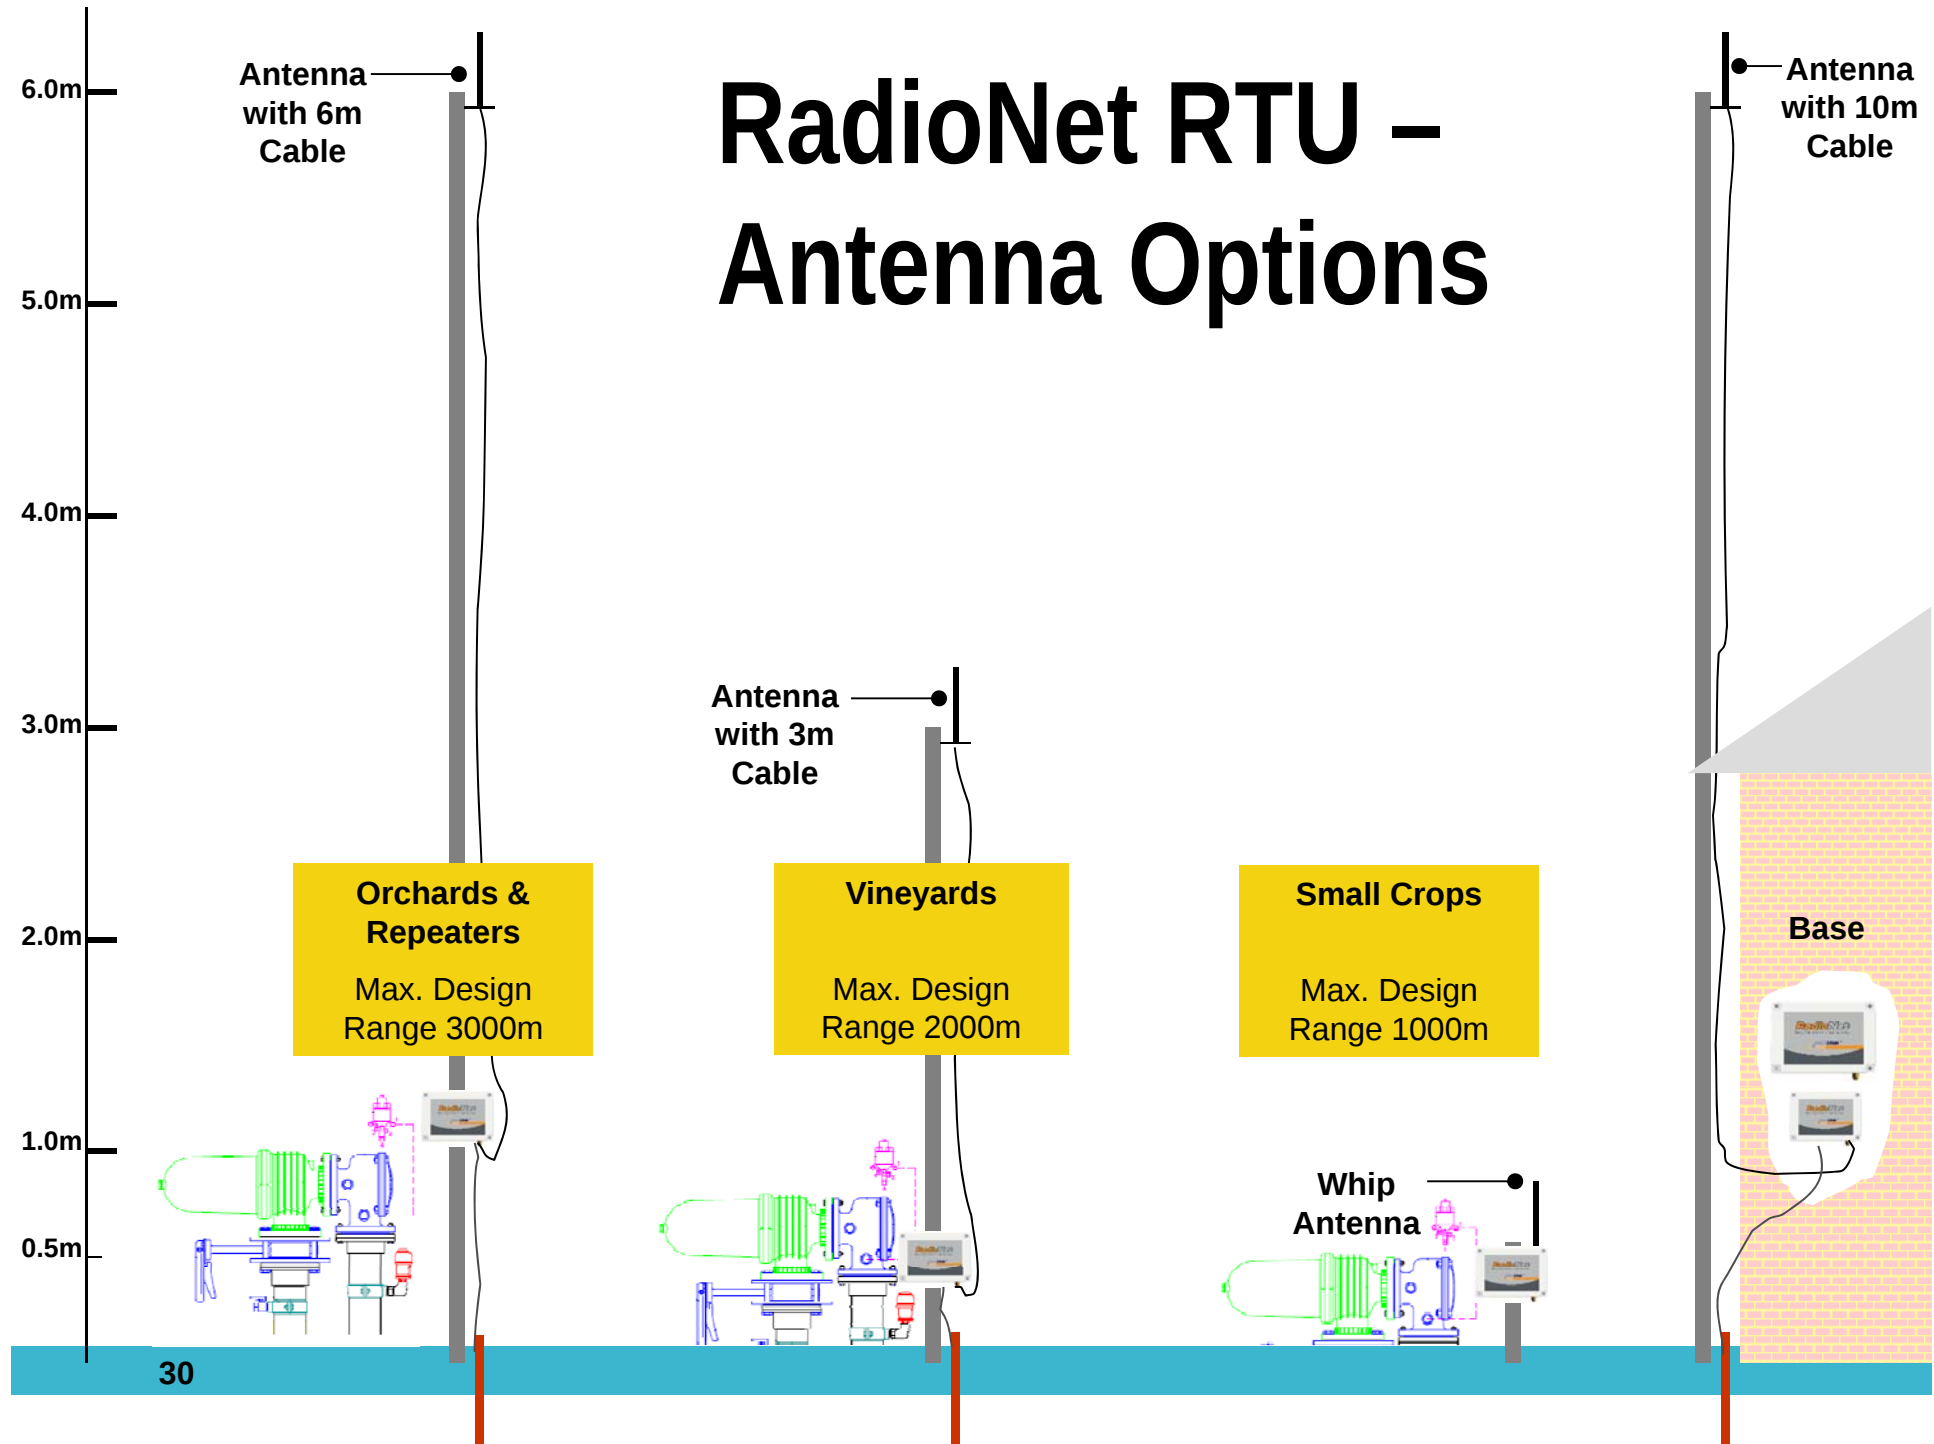

RadioNet RTU – Power Options

#	Prod. Code	Description
Power Supply Option A - Auto Charge via Solar Power		
1A	00035-002950	Solar Panel Kit, 6V, including battery cradle, solar regulator, 5.5m cable
2A	00035-003025	Battery, 6V, 1.2Ah, SLA
Power Supply Option B - Manual Recharge		
3B	00035-003150	Battery cradle for 6 x AA Nickel-Metal Hydride NiMH (Batteries not supplied)
Power Supply Option C - Disposable Batteries		
4C	00035-003170	Battery cradle for 4 x AA Lithium (Batteries not supplied)

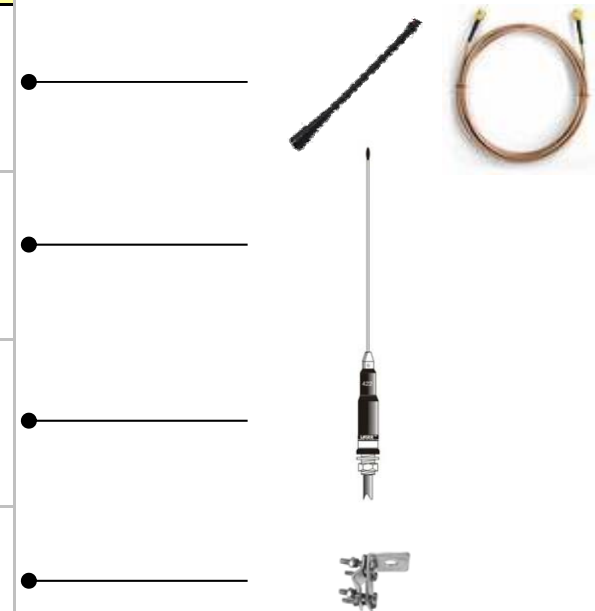

RadioNet RTU – Antenna Options

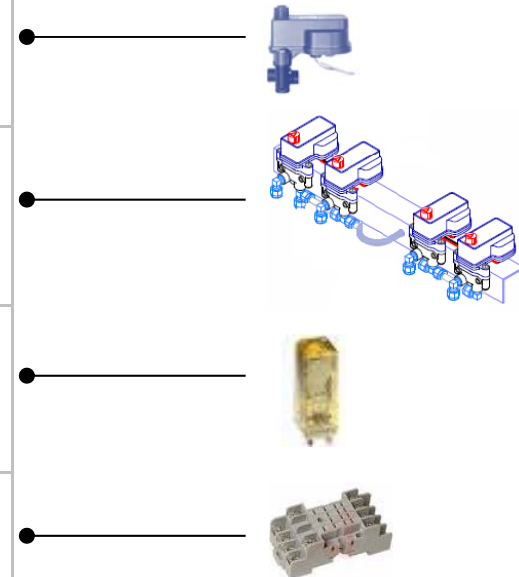

RadioNet RTU – Antenna Options

#	Prod. Code	Description
1	00035-010350	1/4 Wave Whip with 1m coaxial cable (optional mounting bracket not required)
2	00035-	S/Steel Whip Antenna Kit, 3m low loss cable
3	00035-005360	S/Steel Whip Antenna Kit, 6m low loss cable
4	00035-005250	Heavy Duty Antenna Mounting Bracket (to suit less than 30mm Post)
5	Misc.	Antenna mast

RadioNet RTU – Ancillary Equipment

#	Prod. Code	Description
1	35500-001900	Aquative Solenoid, 2 wire Latching (AQUATIVE-DC)
2	35500-002100 35500-002300 35500-002500 35500-002530 35500-002550	2 x Aquative Solenoids DC Latch, mounted on Bar 4 x Aquative Solenoids DC Latch, mounted on Bar 6 x Aquative Solenoids DC Latch, mounted on Bar 8 x Aquative Solenoids DC Latch, mounted on Bar 10 x Aquative Solenoids DC Latch, mounted on Bar
3	73200-008900	Izumi 12 V Latching relay (RY2KS-U-DC12)
4	73200-002250	Izumi 12 V Latching relay base to suit RY2KS (SY4S-05C)
